**UNITED PROFESSIONAL HORSEMANS ASSOCIATION**

The United Professional Horsemen’s Association was founded in 1968 in Chicago, Illinois, and was formed to give a united voice to the horse professional to better address concerns and problems that existed within the show horse industry.

Over the years, UPHA has grown to 21 different Chapters across all 50 of the United States and Canada. Chapter 16 services all of Florida, and includes horsemen and horsewomen from all disciplines and with horse interests that include American Saddlebreds, Ponies, Morgans, Friesians, National Show Horses, Arabians and Roadster Horses.

We work together to help not only our professionals, but the equine industry as a whole. Our many programs span the gamut from youth scholarships for the children of active UPHA members, to the UPHA Classics. If you’re a professional, this is your organization. If you’re an amateur, we’d like to reach out a friendly hand and offer our expertise when you’re in need. Let’s all work together to improve our shows and our show horse industry!

## **UPHA CHAPTER 16 ACADEMY RULES**

*These rules have been established by the trainers, instructors and show committees of UPHA Chapter 16.*

The Academy Division is for those riders who have never shown in an "A" circuit show. Helmets are required for riders 17 years and under, in compliance with the 2009 Congressional Helmet Law.

**ACADEMY HORSES:** Horses in academy classes **MUST** be a lesson horse regularly used in a professionally operated lesson program. The horses must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior such as going too fast for a rider to handle. Horses are not to be judged, and must be serviceably sound.

**TURN OUT:** Required is a plain shod horse, 1 therapeutic pad allowed. No braids or artificial appliances are to be used. Hoof blacking and braiding is optional.

**TACK:** Horses may be shown in a snaffle bridle with martingale or german martingale, Pelham, or full bridle. Saddles must be cutback English saddles, hunt, or western according to the division. No tie downs or blinkers allowed, standing martingales for over fences classes are permitted.

**RIDER APPOINTMENTS:** For the Saddle Seat Rider: jodhpurs, jodhpur boots or paddock boots, long sleeve button-down or collared shirt, tie and gloves are required. Vests are optional. No derbies allowed. For the Hunt Seat Ride: breeches, and appropriate hunt seat shirt, hunt boots, paddock boots, or black half chaps with black paddock boots and gloves are required. Chaps or Western hats are not allowed. "Polo" shirts are not allowed. Whips and non-rowel spurs are optional. Long hair must be secured back in bun or braid(s).

**ACADEMY EQUITATION:** Judged on the rider's basic equitation skills with correct diagonals and leads, proper use of the ring is considered.

**ACADEMY SHOWMANSHIP:** Judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show their horse. The rider's command of the horse, for example, speed, collectiveness, and placement in the ring is to be considered. Walk-Trot riders shall not be penalized for incorrect diagonals. For Walk-Trot-Canter riders, promptness in finding the correct leads and diagonals is important.

**CLASS RULES:** Headers allowed in if needed for safety, no towels or whips allowed in with them. Classes will be split at the 13<sup>th</sup> rider. Splits will be shuffled to keep equitation and showmanship back to back (i.e.: 1a, 2a, 1b, 2b). Class holds will be 2 minutes in length. **NO EXCEPTIONS.** Holds must be requested 10 minutes before the start of the academy session.

**WALK/TROT ON THE LINE CLASS:** Walk/Trot riders will enter the ring at a walk, be judged on the rail as a group at the walk both directions of designated portion of the ring. Riders are to be judged on form and presentation style, trainers may help with diagonals. The class will line up. Each rider and leader will individually trot down one long rail, reverse, and trot back, and then return to the lineup. Trainers may designate a temporary header in the lineup so they may run with their different riders.
