**UNITED PROFESSIONAL HORSEMAN’S ASSOCIATION**

The United Professional Horsemen’s Association was founded in 1968 in Chicago, Illinois, and was formed to give a united voice to the horse professional to better address concerns and problems that existed within the show horse industry.

Over the years, UPHA has grown to 21 different chapters across all 50 of the United States and Canada. Chapter 16 services all of Florida and includes horsemen and horsewomen from all disciplines and with horse interests that include American Saddlebreds, Ponies, Morgans, Friesians, National Show Horses, Arabians and Roadster Horses.

We work together to help not only our professionals, but the equine industry as a whole. Our many programs span the gamut from youth scholarships for the children of active UPHA members, to the UPHA Classics. If you’re a professional, this is your organization. If you’re an amateur, we’d like to reach out a friendly hand and offer our expertise when you’re in need. Let’s all work together to improve our shows and our show horse industry!

## UPHA CHAPTER 16 ACADEMY RULES

*These rules have been established by the trainers, instructors, and show committees of UPHA Chapter 16.*

The Academy Division is for those riders who have never shown in an "A" circuit show. Helmets are required for all riders, in compliance with the 2009 congressional helmet law.

**AGE AND DIVISION:** Membership to the Florida State High Point Program is required for all riders wanting to compete in the Academy classes. A rider's age for the competition year is determined on the dates of the Harvest Days Horse Show.

**CLASS RULES:** Headers are allowed in if needed for safety. No towels or whips are allowed in with them. Classes will be split at the 13th rider. Splits will be shuffled to keep equitation and showmanship back to back (i.e.: 1a, 2a, 1b, 2b). Class holds will be 2 minutes in length. **NO EXCEPTIONS.** Holds must be requested 15 minutes before the academy session/show begins. Gate times will be strictly enforced and as one class exists the next will be promptly called.

**ACADEMY HORSES:** Horses in academy classes **MUST** be a lesson horse regularly used in a professionally operated lesson program. The horses must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior such as going too fast for a rider to handle. Horses are not to be judged and must be serviceably sound. No farm/barn affiliation should be visible on the horse, tack or rider.

**TURN OUT:** Required is a plain shod horse, 1 therapeutic pad and wedge allowed. No Saddle Seat mane braids or artificial appliances are to be used. Hoof blacking and hunter braiding is optional.

### TACK AND APPOINTMENTS

**SADDLE SEAT: Tack:** Horses may be shown in a snaffle bridle with running martingale or German martingale, Pelham, or double bridle. Saddles must be a cutback English saddle. No tie downs, standing martingales, blinkers or over/side check are allowed. **Attire:** Jodhpurs, Jodhpur boots or paddock boots, long sleeve button-down or collared shirts, tie and gloves are required. Vests are optional, no derbies allowed. Riding whip and non-roweled spurs are optional. Long hair must be secured back in a bun or braid(s).

*(Academy Continued)*

Glasses or goggles and gloves are required. Driving whip is optional. Instructor may ride along with the driver; however, no instruction can be given.

**ACADEMY EQUITATION:** Classes are judged on the rider's basic equitation skills with correct diagonals and leads. Proper use of ring is considered.

**ACADEMY SHOWMANSHIP:** Classes are judged on the rider's horsemanship abilities and on the rider's ability to control and show their horse. The rider's command of the horse (for example, speed, collectiveness and placement in the ring) is to be considered. Walk-trot riders should not be penalized for incorrect diagonals. For walk-trot-canter riders, promptness in finding the correct leads and diagonals is important.

**WALK/TROT ON THE LINE CLASS:** Riders are to be judged on form and presentation style. Walk-Trot riders will enter the ring at a walk and be judged on the rail as a group at the walk both directions of the ring. The class will line up. Each rider and leader will individually trot down one long rail, reverse and trot back and return to the line-up. Trainers may designate a temporary header in the line-up should he/she need to run with another of their riders. In equitation classes, diagonals will count/ Trainers may help with diagonals. In showmanship class, diagonals will not count. If a show only has one Walk/Trot lead line class on the schedule, it is to be conducted as an equitation class.

**NOVICE CLASSES:** For each age division and for riders who have not received 3 blue ribbons in any and all academy divisions (except Lead Line classes).
