UPHA Chapter 16 Academy Rules & Regulations

The academy division is for those riders who have never competed in an “A” circuit show. Helmets are required for all riders, in compliance with the 2009 congressional helmet law.

Age and Division Membership to the Florida State High Point Program is required for all riders wanting to compete in the Academy classes. A rider's age for the competition year is determined by the dates of the Harvest Days Horse Show.

Class Rules—headers are allowed in for safety. No towels or whips. Classes will be split at the 13th rider. Splits will be shuffled to keep showmanship and equitation back to back. Class holds will be 2 minutes in length. NO EXCEPTIONS. Holds must be requested 15 minutes before the academy session/show begins. Gate times will be strictly enforced and as one class exits the next will be promptly called.

Academy Horses must be a lesson horse regularly used in a professional operated lesson program. The horse must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior such as going to fast for a rider to handle. Horses are not to be judged and must be serviceably sound. No farm/barn affiliation should be visible on the horse, tack or rider.

Turn out: Required is a plain shod horse, 1 therapeutic pad allowed. No braids or artificial appliances are to be used. Hoof blacking and braiding are optional.

Tack and Appointments:

Saddle Seat—Tack—Horses may be shown in a snaffle bridle with running martingale or German martingale, Pelham or double bridle. Saddles must be cutback English saddle. No tie downs, standing martingales, or blinkers allowed. Attire—jodhpurs, jodhpur boots or paddock boots, long sleeved button-down or collared shirts, ties and gloves are required. Vests are option, no derbies allowed. Riding whip and non roweled spurs are optional. Long hair must be secured back in a bun or braid(s).

Hunt Seat—Tack—Horses may be shown in a snaffle bridle with or without a running martingale or German martingale. Pelham or double bridles are allowed. Saddles must be hunt seat saddles. No tie downs or blinkers allowed, standing martingales for over fences classes are permitted. Attire— breeches, an appropriate hunt seat shirt, hunt boots, paddock boots or black hap chaps with black paddock boots and gloves are required. Riding crop and non roweled spurs are optional. Long hair must be secured back in bun or braid(s).

Western—Tack—Horses may be shown in a snaffle bridle with or without a running martingale with two hands or a single curb bit bridle with one hand. Saddles must be western saddles. No tie downs, standing martingales, or blinkers allowed. Attire—jeans or pants, a western style

Shirt, jodhpur, paddock or western boots and gloves are required. Chaps and western hats are not allowed. “Polo” shirts are not allowed. Whips and non roweled spurs are optional. Long hair must be secured back in bun or braid(s).

Driving—Tack—Any 2 wheeled vehicle is allowed. Any work or show harness and cart may be used as long as it is in good working condition. Attire—any academy attire is appropriate or you may wear pleasure driving attire. Glasses or goggles and gloves are required. Driving whip is optional. Instructor may ride along with the driver, however no instruction can be given.

Academy Equitation is judged on the rider's basic equitation skills with correct diagonals and leads. Proper use of the ring is considered.

Academy Showmanship is judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show their horse. The rider's command of the horse, for example, speed, collectiveness and placement in the ring is to be considered. Walk/Trot riders should not be penalized for incorrect diagonals. For walk/trot riders promptness in finding the correct leads and diagonals is important.

Walk/Trot On the Line Class—Walk/Trot riders will enter the ring at a walk, be judged on the rail as a group at the walk both directions of the ring. Riders are to be judged on form, presentation and style. Trainers may help with diagonals. The class will line up. Each rider and handler will individually trot down one long rail, reverse and trot back, and return to the line up. Trainers may designate a temporary header in the line up show he/she may run with their different riders.

You can do your entries on line

We are offering online entries through www.horseshowsonline.com

Below are the instructions to enter online

What you need:

A free account at Horse Shows Online. If you don't already have an account you can create one at www.horseshowsonline.com. Horse Shows Online basic membership is free. A record in your account for each person and horse that you will use on show entry forms when you enter a show. Records will be saved and can be used for future shows.

How do I get started:

Login to Horse Shows Online at www.horseshowsonline.com, click on the member services button on the main menu. Once you are logged in click the "My Horses, People, Shows" button in the member menu. At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (ie: My People, My Horses). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.

Click the "Enter Show" button to select the show you want to enter and follow the steps in the outline entry wizard.

Steps to enter a show

Select the show you want to enter from your "My People, Horses, Shows" page on the My Show Entries tab, or find the show you want to enter in the show selector and click the Online Entry Icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.

The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:

Select the horses, people and riders for your entry

Select the classes each rider is entered in

Select the quantity for stalls and other fees

Confirm your selections

Checkout and submit the show entry

The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time you will be prompted for your credit card information.

Tips

You can cancel the entry part way through the wizard and resume the entry later on. For example, if you need to add more people to your account, or just want to come back and complete the entry later.

Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.

People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then can be re used.
